

Customisable IIoT platform: from edge to cloud

Discover the possibilities of IXON's premium branding and offer customers your own customised all-in-one solution.

Offer your own IIoT solution

With IXON's premium branding you have the option to offer your customers your own IIoT solution. Use the IXON Cloud solution with your customised branding - making IXON invisible to your customers. What does that mean for you?

Make the most advanced IIoT platform yours for stronger customer relationships and increased customer loyalty. Save on time- and cost-intensive development and trust in our experience and expertise.

IXON premium branding covers everything - from the router to the platform

Customised IXrouter

Custom Platform Design

Custom Mobile App

Unlimited possibilities for customisation

1. Standard branding

- ✓ Own company colours
- ✓ Company logo in the cloud platform

2. Premium branding

- ✓ Personalised URL
- ✓ Own cloud login page
- ✓ Personalised legal documents (e.g. Terms of use)

3. Custom IIoT solution

- ✓ IXrouter with your corporate identity
- ✓ Own mobile app (in App Store & Google Play Store)

Hotraco increases added value of its systems with IXON's white label products

To meet customer needs, improve their own service and strengthen collaboration with partners, Hotraco has chosen to partner with IXON. The complete IXON solution is marketed under the Hotraco corporate branding and complements their own products.
